

BOTTLE UP IMPROVED BEVERAGE QUALITY WITH THE WATERCOLORS™ KB SERIES FROM NEWCO.

Presenting the Watercolors KB Series from Newco Enterprises, one of America's leading coffee brewer manufacturers.

Watercolors offers you the most-wanted features of both a bottled drinking water dispenser and a coffee brewing machine. It's the quality alternative to tap water for better tasting coffee and other beverages.

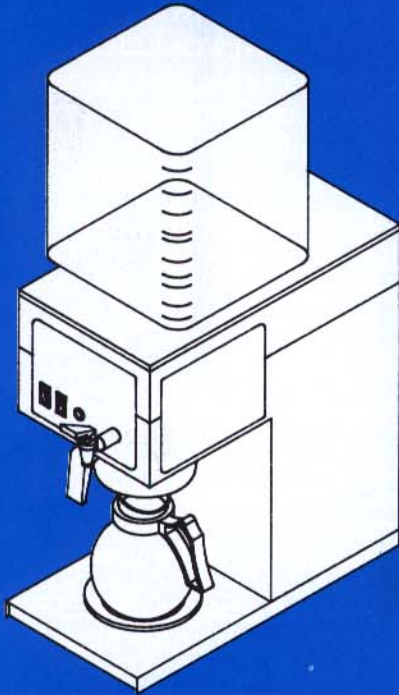

Watercolors KB Series Features

- Designed to fit directly in-line with your existing coffee brewing machines, for maximum convenience and minimum cost.
- Dispenser accepts clear 2-6 gallon, user-friendly plastic bottles that are lightweight, easy to handle, and allow users to see exactly what they are drinking.
- Offers all the benefits of an automatic brewer without the plumbing.
- Convenient hot water faucet for other hot beverages.
- Interchangeable base features 1, 2 or 3-station options.
- Easy to maintain and service.
- Backed by a comprehensive warranty from Newco on performance and parts.

Bottle up beverage quality and convenience now. For complete information about the Watercolors KB Series, call Newco toll-free at 1-800-325-7867, or FAX 314-925-0029.
