

## Stackable Tea Dispensers

*Patent Pending*

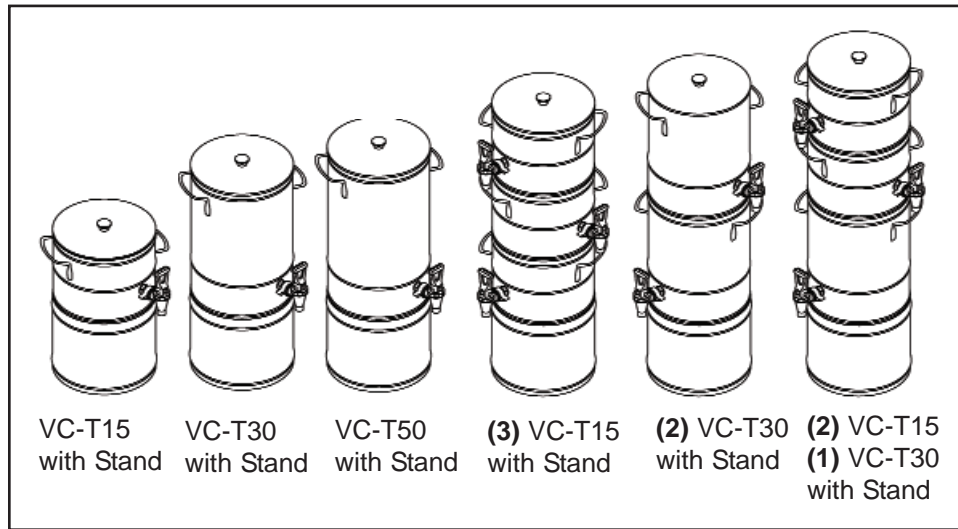

Increase your profitability by adding flavored or variety teas to your menu with Newco's stackable tea urns, *the only tea dispenser that respects your countertop space*. Each tea dispenser comes standard with a brew through lid that doubles as a stand for another dispenser. The stackable tea dispensers can easily be turned left or right for easy dispensing from the faucet.

*Stack different sizes on top of each other and create a TEA TOWER. Useful when serving different flavors.*
