

CX TOUCH RISER

*Comes in black or stainless steel

Enjoy delicious coffees, latte's, cappuccinos and more with the CX Touch. Blend soluble milk and chocolate with individual PODS of coffee and tea to create coffee house quality drinks. Simply scroll through the high resolution touch screen, select your drink, insert a POD and your drink is prepared in under a minute. No need to leave the workplace for great tasting coffee.

Now Available with riser. CX touch riser allows for taller thermoses.

CX Touch Riser

CX now comes with the ability to add grounds pass through.

Grounds pass through can be added to the CX or the grounds pass through can be extended if a taller cup is required with the riser assembly.
