

BLACK MINI FRIDGE

Café Espresso 2.0 Accessory

Features

- Holds up to 1 gallon of milk
- Black powder coated construction
- Digital display
- Milk access on either side
- Adjustable temperature range

The Newco Black Mini Fridge is a stylish and convenient way to keep your milk at the proper temperature and located right next to your Café Espresso 2.0 brewer. This sleek unit comes with a digital display and versatile access of milk tubing on either side of the fridge.

The Black Mini Fridge comes in a kit with the fridge and the Café Espresso 2 Riser. The Riser raises the Café Espresso 2.0 machine to optimize milk dispensing.
