

EASY-CLEAN

FOR USE WITH ALL BIB DISPENSERS

Cleaning liquid coffee dispensers is an essential part of preventative maintenance. Ensure coffee stays fresh and delicious by using Easy-Clean, natural cleaning solution. This beverage line flush solution can be used in all BIB machines by easily attaching the cleaner to the tubes and simply priming the machine to clean. Easy-Clean keeps tubes and pumps running smoothly and free of coffee residue.

Currently includes a Scholle fitment. Separate QCD fitment adapter kit is available.
